Hi Bruce,

Thanks for the Exhibits! I quickly reviewed the Exhibits. On the Revised Exhibit A, page 4, tract 21-ADL 389925, the total lease and tract acreage is 3,786 acres. I think that you forgot to add the partial acreages from what is on the Revised Exhibit "A.1".

Would it be possible to make this small correction and send the Exhibit A back?

Thanks,

Patricia

Hi Patricia,

Attached are the revised Exhibit A and B. The Exhibit A is arranged by Track number, sequentially.

I have also included an Exhibit A.1 that lists the leases within each block (arranged by block) and shows the total acreage for each block and percentage of the Unit area. It's just an extra exhibit for informational purposes.

Please let me know if these are OK, and I will drop off printed copies today. Have a good morning ☺
