email: **Julie.Lina@caelusenergy.com**

City **Anchorage** State **AK**

Zip **99503**

Message Phone **(907) 343-2106**

Work Phone **(907) 343-2106**

Is applicant a nonprofit cooperative association? [] yes [X] no. If yes, are you applying for an exemption under

AS 38.05.850(B)? [] yes [] no. If yes, please submit proof of nonprofit status (e.g. by-laws, articles of incorporation, tax statement).

Legal Description/Location of activity: **North Slope Borough**

Meridian **Umiat Township 12N, Range 9E, Section 3**

(attach extra sheets as needed)

Total length of applied for R/W/E feet:

Total width of applied for R/W/E feet:

Acres encompassed by R/W/E: (43,560 square feet = 1 acre)

Specific purpose of easement (e.g. electric utility, fiber-optic conduit or cable, telecommunications tower, road, bridge, airstrip/airport, driveway, trail, drainage), and type of anticipated traffic (e.g. plane, truck, heavy equipment):

Explain: **Caelus is proposing an amendment to ADL#419949 to increase the fill volume of the seawater tie-in pad by 1,300 cubic yards and 0.05 acres. The total fill volume for the pad will be .20 acres. The working surface will be 50 feet by 85 feet and the pad elevation will increase by four feet for operational needs so that the pad can be accessed from Oliktok Point road following improvements of this road by others.**

Are you applying for a Public R/W/E? [] yes [] no. Private R/W/E? [] yes [] no (Annual Fee Required for private R/W/E)

State briefly the standards and methods of construction: e.g. regulated standards, winter trail, dirt trail, gravel road, paved road, etc.; clearing by hand, clearing/construction by mechanical equipment (state type of equipment to be used, e.g. J.D. 350, 944 F.E. loader, hydro-axe, D-8), or establishment by use only.

Accepted North Slope oilfield construction standards using the existing road system. Equipment required includes maxi hauls, dump or side-dump trucks, excavator, motor grader, loader, and or vibratory roller.

See 11 AAC 05.010 regarding fees for federal, state, and local government agencies

Date Stamp:

Is this an existing use? [] yes [] no. If yes, provide documentation verifying existing use, such as easement atlas, affidavits attesting to use and existence, pictures, etc.

Construction to begin: **August 1, 2018.**

Construction to be completed by: **October 2018.**

Other permits or authorizations applied for in conjunction with this proposed project: USACE nationwide permit or modification and North Slope Borough administrative approval.

If this authorization is granted, I agree to construct and maintain the improvements authorized in a workmanlike manner, and to keep the area in a neat and sanitary condition; to comply with all the laws, rules, and regulations pertaining thereto; and provided further that upon termination of the easement for which application is being made, I agree to remove or relocate the improvements and restore the area without cost to the state and to the satisfaction of the Director of the Division of Mining, Land and Water.

Date

INSTRUCTIONS: Attach a USGS map (scale of 1:63,360) or a state status plat showing the location of the proposed easement, and an environmental risk assessment questionnaire (form 102-4008A).

The final granting of a private easement or reservation of a public easement will be contingent upon our receipt of a plat depicting the post-construction location of the improvements. If your application is approved, instructions for the completion of the plat will be provided to you, or can be picked up at any of our offices.

AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(9) and confidentiality is requested). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210.
