AIDEA
Signed gas supply contract with Hilcorp to expand the supply of affordable natural gas from Cook Inlet to interior communities.

Division of Oil and Gas
Issued a call for new information for Cook Inlet and Alaska Peninsula areawide oil and gas lease sale areas. Lease sales tentatively scheduled for spring 2018.

Division of Oil and Gas
Tax credit dataset for Moquawkie 2D seismic survey has been publicly released to Alaska Geologic Materials Center.

Hilcorp
Anticipate restarting production at Birch Hill Unit.

Hilcorp
Planning to drill one well and one workover at Swanson River Unit by March 2018.

AIX Energy
Working to improve infrastructure and increase gas recovery at Kenai Loop field.

Hilcorp
Drilled two stratigraphic test holes (less than 500 ft depth) at Deep Creek Unit to assist in exploring Sterling and Beluga formations.

Hilcorp
Drilled Kalotsa 3 and 4 development wells and seven Pearl stratigraphic test holes (up to 600 ft depth) in southern Ninilchik Unit area. Planning to drill Pearl 2A development well in late Q4 2017 incorporating findings from strat test holes.

Hilcorp
Currently seeking AOGCC approval to redefine the vertical and horizontal boundaries of the Ninilchik Unit Beluga/Tyonek commingled gas pool.

Hilcorp
Drilled Kalotsa 3 and 4 development wells and seven Pearl stratigraphic test holes (up to 600 ft depth) in southern Ninilchik Unit area. Planning to drill Pearl 2A development well in late Q4 2017 incorporating findings from strat test holes.

Hilcorp
Planning to fracture stimulate Tyonek Formation in Red 1 well at Nikolaevsk Unit.

Bluecrest Energy
Planning to drill H-16 development well at Cosmopolitan Unit to test Starichkof sand and Hemlock Formation PA at Cosmopolitan Unit.

Received approval from Division of Oil and Gas to form combined Starichkof sand and Hemlock Formation PA at Cosmopolitan Unit.

Division of Oil and Gas
Cosmopolitan 3D tax credit seismic survey to be publicly released to Alaska Geologic Materials Center in early 2018.

Hilcorp
Planning to drill exploratory Totchaket 1 well in Nenana basin, summer 2018.
