License ADL:	Licensee Name:	License Name:
Surety Name:	Bond Beginning Date	Bond Renewal Date
Work Commitment Remaining (from Schedule 2):	Bond Amount:	Bond No.:

\_\_\_\_\_, as Principal, and \_\_\_\_\_, a corporation authorized to transact surety business in the State of Alaska, as Surety, are held and bound to the State of Alaska, Department of Natural Resources, Division of Oil and Gas as Obligee, in the sum of \$\_\_\_\_\_ United States dollars.

The State of Alaska, Department of Natural Resources has issued the \_\_\_\_\_ for the geological and geophysical exploration of the license area. A copy of the license, including the Schedule 2 – Annual Bonding Calculation, is attached to this performance bond.

Pursuant to AS 38.05.132(c)(4), the Obligee requires this bond to secure the licensee’s obligation to perform the work commitment as specified in the \_\_\_\_\_.

The Principal and the Surety agree to abide by and perform the terms and conditions of the \_\_\_\_\_ and to perform the work commitment within the time and manner specified.

The term of the performance bond shall commence on \_\_\_\_\_ and shall have an initial duration of ONE (1) year. The Principal and the Surety agree to renew this performance bond annually, on or before the anniversary of the commencement date of this bond, during the term of the exploration license. The Principal and Surety will renew this performance bond in an amount consistent with Schedule 2 - Annual Bonding Calculation and the requirements of AS 38.05.132(c).

The Principal and Surety agree the performance bond shall remain in full force and effect for its initial term and annual renewals unless the Obligee releases the performance bond. Upon termination for failure to comply with a provision of the license or applicable statutes, regulations, or stipulations, this performance bond shall be due and payable in full to the Obligee within 10 business days from receipt by the Surety of a notice of termination from the Department of Natural Resources.

The Principal and Surety agree to bind themselves, their heirs, legal representative, successors and assigns, jointly and severally, to all obligations set forth in this performance bond.

## Approval and Acceptance by the State of Alaska, Department of Natural Resources, Division of Oil and Gas

By: \_\_\_\_\_ Date: \_\_\_\_\_  
Chantal Walsh, Director

**INSTRUCTIONS:** Pursuant to 11 AAC 82.945(c), a licensee shall, upon acceptance, and on or before each anniversary of the effective date of an oil and gas exploration license, deliver to the department an affidavit showing that the required security is in place with the department and executed in favor of the state. Each affidavit shall include calculations conforming the security to the requirements of AS 38.05.132 (c)(4)(B). The commissioner will, in the commissioner’s discretion, revoke an oil and gas exploration license for failure to provide the commissioner with this affidavit. Upon revocation, a licensee’s security is forfeited to the state.

- The bond must be either:
  - a corporate surety bond with a corporate surety qualified to do business as such in Alaska; or
  - a personal bond accompanied by a deposit of cash in the amount of the bond, or negotiable federal or Alaska securities in a sum equal at par value to the amount of the bond together with a sufficient conveyance to the commissioner of full authority to sell the securities in the event of default in the performance of the conditions of the bond.
- The principal on the bond must be the licensee of record with the department.
- If the principals are partners, their individual names shall appear in the spaces provided, with a recital that they are partners comprising a firm, naming it, and all members of the partnership shall execute the bond as individuals.
- If this bond is executed by a corporation, either as surety or as principal, a duly authorized officer must execute the bond. The individual signing the bond must submit evidence of its authority to act for the corporation.
- If this bond is executed by an LLC, either as surety or as principal, a member or manager with authority to bind the LLC will execute the bond and submit documentation of that person’s authority to act for the LLC.
- When any party executes this bond through an agent, a power of attorney or other evidence of authority must accompany this bond.
- Attach Schedule 2, Annual Bonding Calculation.

# Exploration License Geological and Geophysical Data Transmittal

State of Alaska  
Department of Natural Resources  
Division of Oil & Gas  
Resource Evaluation Section  
550 W 7th Avenue, Suite 1100  
Anchorage, Alaska 99501-3510

*Instructions:* On or before each anniversary date of the exploration license, submit all geologic and geophysical data obtained under the license during that year (11 AAC 82.981). Complete this form, include with data collected, and return to:

Heather Ann Heusser, Resource Evaluation Section
