Notes:
1. This map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit seismic surveys.
2. Representation on this map does not guarantee public release and is subject to statutory requirements in effect at the time of acquisition and application for tax credit.
3. Release is subject to public notice and permission of private oil and gas mineral estate owner where applicable. Some surveys may be clipped to mineral ownership boundaries; actual map extents of released datasets may differ from those shown here.
4. Year label denotes expiration of confidentiality period, not necessarily the year data will be ready for distribution (see notes 2, 3, and 4).
5. Map does not include surveys whose initial seismic processing was completed prior to 10 years ago but prior to legislative adoption of AS 43.55.025(f)(5).
6. Additional qualifying surveys will be added to this map as new tax credit certificates are issued or as changes in confidentiality status allow.
