Tax Credit Seismic Surveys for Public Release
Copper River Basin, Alaska

Seismic Data Release Status
Seismic survey, showing data coverage:

- Off: Survey released and available at Geological Materials Center.
- Red: Statutory confidentiality period expired; survey eligible for and in preparation for release (per code 2, 3, and 4).
- Yellow: Survey released and available at Geological Materials Center (see notes 2, 3, and 4).
- White: Other survey with tax credit certificate; statutory confidentiality period still in effect; survey not yet eligible for and prepared for release (per code 3, 4, and 5).

Notes:
1. This map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit seismic surveys.
2. Representation on this map does not guarantee public release and is subject to statutory requirements in effect at the time of acquisition and application for tax credit.
3. Seismic survey, showing data coverage:
   - 2D survey:
     - Tolsona 2D 2017
   - 3D survey:
     - Ginger Creek 3D 2019
4. Year label denotes expiration of statutory confidentiality period, not necessarily the year in which the data will be ready for distribution.
5. Map does not include surveys whose initial seismic processing was completed less than 10 years ago but prior to legislative adoption; actual map extents of released datasets may differ from those shown here.
6. Additional qualifying surveys will be added to this map as new tax credit certificates are issued or as changes in confidentiality under .025(f)(5), and cannot be represented here until their confidentiality period has expired.
7. Survey does not yet meet requirements to be released for tax credit projects held confidential for 10 years from the completion of initial processing.
8. Surveys not subject to statutory confidentiality requirements as per Code 2, 3, or 4 and are not subject to disclosure.
9. Representation on this map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit seismic surveys.

Map updated: August 2019
