Tax Credit Seismic Surveys for Public Release
Copper River Basin, Alaska

Seismic Data Release Status
Seismic survey, showing data coverage:

- **Off Limits**: Survey retained and available at Geological Materials Center
- **None**: Statutory confidentiality period expired; survey eligible for and in preparation for release (per codes 2, 3, and 4)
- **Other**: Other survey with tax credit certificate, statutory confidentiality period still in effect; survey not yet eligible for and prepared for release (see notes 2, 3, and 4)
- **Survey released and available at Geological Materials Center (see notes 2, 3, and 4)**
- **Statutory confidentiality period expired; survey eligible for and in preparation for release**
- **Survey released and available at Geological Materials Center**

Notes:
1. This map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit seismic surveys.
2. Representation on this map does not guarantee public release and is subject to statutory requirements in effect at the time of acquisition and application for tax credit.
3. Release is subject to public notice and permission of private oil and gas mineral estate owner where applicable. Some surveys require clipping to mineral ownership boundaries; actual map extents of released datasets may differ from those shown here.
4. Year label denotes expiration of statutory confidentiality period, not necessarily the year in which the data will be ready for distribution; survey not yet eligible for and prepared for release.
5. Additional qualifying surveys will be added to this map as new tax credit certificates are issued or as changes in confidentiality under .025(f)(5), and cannot be represented here until their confidentiality period has expired.

Map printed: July 2019
