This generalized land status is only as accurate as the database by the Bureau of Land Management as of July 01, 2013. The land status depicted outside of the Land Status Research Boundary on August 17, 2011.

**Project Boundaries**

- **Recording District Boundary**
- **Borough Boundaries** (Matanuska-Susitna and Kenai Peninsula Borough Boundaries are Located Within the Land Status Research Boundary)
- **Area Plan Boundaries** (Kuskokwim Area Plan Susitna-Matansuka Area Plan Boundaries are Located Within the Land Status Research Boundary)
- **State of Alaska Legislatively Designated Areas** (Susitna Flats Game Refuge and Talachulitna State Recreation River are Located Within the Land Status Research Boundary)
- **Land Status Research Boundary**

**Pipeline Engineering Features**

- Proposed Natural Gas Pipeline Milepost
- Proposed Transmission Line
- Proposed Natural Gas Pipeline 300' Wide Construction Planning Corridor

**Disclaimers**

1. State of Alaska Lands Within the Land Status Research Boundary are subject to either the Kuskokwim Area Plan or the Susitna Area Plan. The Commissioner of the Department of Natural Resources adopted the Susitna Matanuska Area Plan on August 17, 2011.

2. Any land status depicted outside of the Land Status Research Boundary depicts the section-level generalized land status provided by the Bureau of Land Management as of July 01, 2013. The land status depicted within the Land Status Research Boundary reflects a review of various public records as of January 20, 2010. This generalized land status is only as accurate as the database provided online by the Spatial Data Management System (http://adms.ak.blm.gov).

The land status depicted, whether inside or outside the Land Status Research Boundary is not certified or warranted with respect to title, accuracy or other content.

Any discrepancies or errors in the generalized land status data should be reported to Jerry Cartwright@ak.blm.gov.

3. Additional engineering features are depicted separately.
## Project Boundaries

**Borough Boundaries**  
(Matanuska-Susitna and Kenai Peninsula Borough Boundaries are Located Within the Land Status Research Boundary)

**Area Plan Boundaries**  
(Kuskokwim Area Plan/Susitna-Matunuska Area Plan Boundaries are Located Within the Land Status Research Boundary)

**State of Alaska Legislatively Designated Areas:**  
(Susitna Flats State Game Refuge and Talachulitna State Recreation River are Located Within the Land Status Research Boundary)

**Land Status Research Boundary**

### Pipeline Engineering Features

- Proposed Natural Gas Pipeline Milepost
- Proposed Transmission Line
- Proposed Natural Gas Pipeline 300' Wide Construction Planning Corridor

### Federal Land

- Bureau of Land Management
- State Selected (Federally-Owned)
- Native Selected (Federally-Owned)
- FAA- Owned and Administered Air Navigation Sites:
  - Farewell, ANS 189, USS 5408 & Puntilla Lake, ANS 3, USS 9707

### State Land

- State Patent or Tentatively Approved
- Cook Inlet Region Inc. (CIRI) Interim Conveyed Surface Including Sand and Gravel, State of Alaska Subsurface Excluding Sand and Gravel
- Matanuska-Susitna Borough Approved Selection or Patented Land, Surface Estate Only, State-Owned Mineral Estate

### Municipal Entitlement Land

- Kenai-Peninsula Borough Approved Selection
- Matanuska-Susitna Borough Approved Selection or Patented Land, Surface Estate Only, State-Owned Mineral Estate

## ANCSA Selections and Conveyances

- Native Patent or Interim Conveyed
- Cook Inlet Region Inc. (CIRI) Interim Conveyed Surface Including Sand and Gravel, State of Alaska Subsurface Excluding Sand and Gravel

## Private Land

- Private
- Native Allotments
- Private, Surface Estate Only  
  (State Land Disposals, Includes Contracts for Sale)

### State of Alaska and Federal Oil and Gas Leases (Production and Storage)

- **Cook Inlet Energy, LLC - State Oil & Gas Lease**
- **Cook Inlet Energy, LLC - State Oil & Gas Exploration License**
- **Hilcorp Alaska, LLC - State Oil & Gas Leases or Storage Leases**
- **Conoco Phillips Alaska, Inc. - State and Federal Oil and Gas Leases**
  (Interests also held by Anchorage ML&P, Hilcorp Alaska, LLC, and Apache Alaska Corporation)

### State of Alaska Mining Locations

- **Geoinformatics Alaska Exploration, Inc.**
- **Nuway Mining Company**
- **Charles Poulson State Leasehold Location**

### Miscellaneous

- **Oil & Gas Well Sites, Producing and Non-producing**
- **Farewell Airstrip**
- **Proposed Happy River State Remote Recreational Cabin Staking Area**
- **Porcupine Butte State Remote Recreational Cabin Staking Area**
- **State Land Subdivision Offering** (Shell Hills and Onestone Lands)

### Rights-of-Way, Easements and Permits

- **State-Identified RS 2477 Public Right-of-Way** (Non-Section Line)
- **Iditarod Trail State Public Access Easement, 400’ Wide**
- **Iditarod National Historic Trail, 400’ Wide**
- **Iditarod Historic Trail Over State-Owned Navigable Water, Below Ordinary High Water**
- **ANCSA Sec. 17(b) Public Trail Easements**
- **Beluga Gasline, Alaska Pipeline Company**
- **Chugach Electric Association Inc.**
- **DOT Public Easement Application, 400’ Wide** (Chuitna to Goose Bay Road)
- **Public Road Easement 100’ Wide, Hilcorp Alaska, LLC.**
- **Private Access Easement, 20’, Hilcorp Alaska, LLC**
- **Private Easement Application 20’, Cook Inlet Energy, LLC**
- **Shell Hills Trail**
- **Farewell Airstrip Trail** (No apparent easement or right-of-way)
- **Porcupine Butte Staking Area Easement**
- **Talachulitna River Scenic Easement, ADL 52960, 200’ Upland from Each Bank**
- **DNR Permit, Lease or Easement, Issued or Application**
- **Commercial Guide Camp**
- **Personal Use Cabin**
- **Recording Station**
- **Trespass Cabin**
- **Proposed Transmission Line**
- **Proposed Natural Gas Pipeline**
- **Construction Planning Corridor**
- **Identification of ANCSA Selections and Conveyances**
- **Identification of State Oil & Gas Leases**
- **Identification of State Mining Locations**
- **Identification of Miscellaneous**
- **Identification of Rights-of-Way, Easements and Permits**
