Division of Oil and Gas  
State Pipeline Coordinator's Section  
3651 Penland Parkway  
Anchorage, Alaska 99508

**AMENDMENT OF THE RIGHT-OF-WAY LEASE  
FOR THE  
TRANS-ALASKA PIPELINE  
ADL 63574**

**DRIVELANE IMPROVEMENTS NEAR NORTH BANK TANANA RIVER  
PIPELINE MILEPOST 531**

This is an Amendment to Exhibit D, Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, hereinafter referred to as AMENDMENT.

The RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, was recorded in the Fairbanks Recording District in Book 149, Pages 0799 through 0905, on July 16, 1979. The RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, which became effective May 2, 2004, was recorded in the Fairbanks Recording District as Document No. 2002-025712-0, Pages 001 through 030 on December 6, 2002.

This AMENDMENT is made and entered into and becomes effective this 14th day of September, 2015, by and between the STATE OF ALASKA located at 3651 Penland Parkway, Anchorage, Alaska 99508, acting through the Commissioner of Natural Resources, hereinafter referred to as COMMISSIONER, and Alyeska Pipeline Service Company as agent for the Trans-Alaska Pipeline System (TAPS) owner companies located at P.O. Box 196660, MS 502 Anchorage, Alaska 99519-6660, hereinafter referred to as LESSEE.

WHEREAS, the LESSEE has applied to amend the existing Right-of-Way Lease, ADL 63574, to include additional State of Alaska land for the expansion of the driveline and fence line buffers at the north bank of the Tanana River bridge security compound, near Pipeline Milepost 531. The additional infrastructure will improve the level of safety and maneuverability of trucks and heavy equipment outside the fenced area.

NOW THEREFORE, the COMMISSIONER and LESSEE agree to amend the RIGHT-OF-WAY FOR THE TRANS-ALASKA PIPELINE, ADL 63574, to include the lands within the Fairbanks Recording District described as:

Township 9 South, Range 10 East, Fairbanks Meridian, Section 6, Lot 80,  
that portion not yet encumbered by the existing TAPS Right-of-Way Lease,  
containing approximately 1.10 acres, more or less.

The lands described above are incorporated into and made a part of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, and the RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, effective May 2, 2004.

The lands needed to accommodate the expansion of the driveline and fence line buffers at the north bank of the Tanana River bridge security compound after construction may be less than those described above. After construction, Alyeska Pipeline Service Company will submit an as-built survey for the Commissioner's approval. The as-built survey will show the right-of-way addition in relation to the boundaries of the existing TAPS right-of-way.

Pursuant to Section 1.d.(ii) of the TAPS Lease, approval by the Commissioner and acceptance of such approval by APSC of the final as-built survey of the project area shall operate as a release of all interests of APSC in lands not included in the final as-built survey. Exhibit D, Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, will be amended to reflect the final as-built survey.

IN WITNESS WHEREOF, the COMMISSIONER and LESSEE have affixed their signatures to duplicate originals of this AMENDMENT.

STATE OF ALASKA

LESSEE

Mark Myers  
Commissioner
