Commissioner Hollis French, Chair  
Alaska Oil and Gas Conservation Commission  
333 W. 7<sup>th</sup> Avenue  
Anchorage, AK 99501

Re: Greater Mooses Tooth #2 Measurement Application

Dear Commissioner French:

ConocoPhillips Alaska, Inc. (CPAI) has provided the State of Alaska, Department of Natural Resources, Division of Oil and Gas (Division) a copy of the application to the Alaska Oil and Gas Conservation Commission (AOGCC) for GMT2 Measurement Approval dated July 12, 2018.

The Division considers the metering tools and procedures proposed by CPAI to the AOGCC to be sufficient to accurately differentiate between production originating from GMT2 and production originating from the Colville River Unit for royalty accounting and reservoir surveillance purposes. Accordingly, the Division does not object CPAI's proposed metering system.

Sincerely,

A handwritten signature in blue ink that reads "Chantal Walsh".

Chantal Walsh  
Director

Division of Oil and Gas
