

# Cook Inlet Oil and Gas Activity 2009- 2010

State of Alaska, Department of Natural Resources, Division of Oil and Gas, October 2010

**Legend**

- Wells Drilled 2010
- Wells Drilled 2009
- Wells Permitted/Planned 2009-2010
- Geothermal Leases
- Cook Inlet Energy
- Unit Boundaries
- Alaska Seaward Boundary

Map Location

**Rampart Energy Company**  
Spud Nunivak 1 on 07-08-2009, P & A 08-15-09  
Exp well located in Fairbanks Quad, Nanana Basin

**Susitna Exploration License Area 2**  
(Cook Inlet Energy)

**Rutter & Wilbanks**  
Copper River, re-entered Ahtna #1-19  
with coiled tubing, 08-22-2009, P & A in  
September 2009. Exp well located  
near Glennallen.

**Beluga River Field**  
CP considering installing 9  
compressors and additional  
sand and water handling equipment.

**Linc Energy well targeting**  
gas prospect in lower Tyonek Sands.

**Ormat**  
Plans to conduct aerial surveys,  
fieldwork, and small diameter core  
hole drilling this summer and fall.

**Aurora**  
Applied for gas storage  
at Nicolai Creek.

**Linc Energy (Alaska), Inc.**  
Acquired ~117,000 acres  
of previously leased State  
acreage.

**Buccaneer Energy Ltd.**  
Acquired acreage at N Middle  
Ground Shoal, NW Cook Inlet, & Kenai Peninsula.

**Chevron**  
Restarted Anna  
platform in June 2010.

**Chevron**  
Plans to test Birch Hill 22-25 well

**Cook Inlet Energy** restarted  
4 oil wells in the the West  
McArthur River field to bring the  
field back on production.

**Marathon**  
Evaluating commerciality.

**AOGCC**  
Denied Chevron's request to store  
gas in the Tyonek 77-3 sand at Swanson River.

**Nordaq Energy, Inc.**  
Shadura 1 well planned from ice road  
and ice pad on CIRI subsurface in-holdings  
within Kenai Wildlife Refuge, targeting gas  
in Beluga and Tyonek formations at 6,000-14,500'.

**Apache**  
Acquired ~182,500 acres of  
previously leased State acreage.

**CINGS (Semco/Enstar)**  
Planning 3rd party gas storage  
in the Sterling C sands at Cannery Loop.

**Pioneer**  
Contemplating working over  
the Hanson 1A-L1 well.

**Armstrong**  
Shot a 3-D survey over North Fork

**Anchor Point Energy**  
(Armstrong & WIO's)  
Plan to construct & operate  
a 7 mile gas pipeline between  
North Fork & Anchor Point.

**Enstar**  
Plans to construct a 20 mile pipeline  
between Anchor Point & Happy Valley  
to connect to existing pipeline at Ninilchik.
