

# North Slope Oil and Gas Activity 2008 - 2009

**Shell:**  
Plans to drill one well in Chukchi in 2010

**FEX:**  
Completed Smith Bay 3D in 2008

**ENI:**  
Ocean Bottom Cable Seismic, Summer 2008  
May continue in 2009

**ENI:**  
Production From Schrader Bluff in Nikaitsuq Unit delayed to 2010

**AVCG/Brooks Range:**  
North Shore 1 Well Tested, Ivishak Fm Test Stabilized Oil Flow Rate 2,092 BOPD, 34 Degrees API Gravity in 2008

**Shell:**  
Beaufort Sea OCS Seismic Programs, Summer 2008

**Shell:**  
Withdrew 2007-2009 Beaufort Sea Exploration Plan due to litigation in U.S. 9th Circuit Court of Appeals. Plans to submit scaled down exploration plan for 2010 in response to stakeholders concerns about too rapid a pace of development. Plan includes 2 wells on Sivulliq prospect (formerly Hammerhead).

**Pioneer:**  
Oooguruk Kuparuk 1st Production, June 9, 2008

**ConocoPhillips:**  
Permitting Alpine West (CD 5) in Progress

**BP:**  
Liberty Unit Sanction, July 2008  
Drilling may start in 2010  
Shot Seismic in 2008

**ExxonMobil:**  
May 8, 2009  
Spud Point Thomson No. 15 well

Continuous Year-Round Development Drilling in Prudhoe, Kuparuk, Colville and Milne Point Units

**Savant Alaska LLC:**  
Badami Unit  
Suspended drilling at 12,874 feet on B1-38 (Red Wolf) due to seasonal travel restrictions.

**ConocoPhillips:**  
Announced Rendezvous and Pioneer wells as discoveries. Test rates averaged from 500 to 1300 bopd of high API gravity oil and 1.5mcf/d of gas

**AVCG/Brooks Range**  
Tofkat 1, 1A, 1B: Encountered Several Hydrocarbon Bearing Zones, Completed 3D in 2008

**Renaissance Umiat LLC:**  
85 Sq. Mi. 3D Survey in 2008

**Anadarko-Petro-Canada-BG:**  
Drilled 3 wells  
(Chandler No. 1, Wolf Creek No. 4 and Gubik No. 4)  
All 3 wells encountered natural gas. Gubik and Wolf Creek wells P&A'd. Chandler suspended for possible future testing.

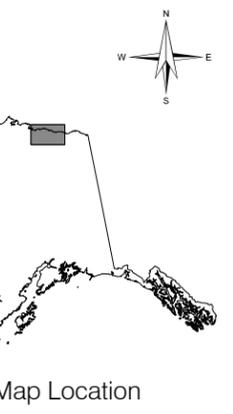

2008 - 2009 Exploration Activity

2007 - 2008 3D Seismic Programs

- Unit Boundaries
- Gas Accumulation
- Oil Accumulation
- Major Roads
- Trans Alaska Pipeline
- Alaska Seaward Boundary
- WELLS PERMITTED/PLANNED FOR 2008/2009
- EXPLORATION WELLS DRILLED/TESTED 2008
- EXPLORATION WELLS DRILLED/TESTED 2009
