## REQUEST FOR COMMENTS GEOPHYSICAL EXPLORATION PERMIT NENANA BASIN SEISMIC

The Department of Natural Resources, Division of Oil and Gas, has received a geophysical exploration permit application. The application describes an activity proposed to occur in the general area of the Nenana Basin Exploration License during the winter of 2004-2005. A copy of the application and supporting information is attached.

**An informational meeting will be held by PGS Onshore Inc. at George Hall, 806 G Street, Nenana, beginning at 6:30 p.m. on May 25, 2004. The public and agencies are invited to attend. Please forward this request for comments to others who may be interested in commenting or attending the meeting.**

This permit action is described as follows:

Permit Number: **MLUP/AK 04-05**  
Applicant: PGS Onshore Inc: Contact **Larry Watt 907 569-4049** or  
[larry.watt@pgsonshore.com](mailto:larry.watt@pgsonshore.com)  
General Location: West of the Parks Highway near Nenana from the Teklanika River to Totchaket Slough between T7S, R12W and T1S,R7W F.M.  
Type of Activity: 200 line miles of 2D seismic survey using vibrators and mulchers.  
Period Requested: December 1, 2004 to April 30, 2005  
**Comments Required: June 11, 2004**

Please send your comments, if any, to Matt Rader by e-mail; [Matt\\_Rader@dnr.state.ak.us](mailto:Matt_Rader@dnr.state.ak.us), or by fax to 907 269-3484, or by mail to the above address. Reviewers that comment by email or fax will receive more timely information as the review progresses. Please reference the permit number on all correspondence. If your comments are not received by the requested date the Division of Oil and Gas will assume you have no objection to the proposed activity and the application may be approved.

If you have any questions, please call Matt Rader at 907 269-8776.

The Dept. of Natural Resources complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, or special modifications to participate may contact the number or address above.
