NOTICE OF RIGHT-OF-WAY AMENDMENT APPLICATION
TRANS-ALASKA PIPELINE SYSTEM – ADL 63574
PLMP 19.1 BURIED SILLS AT SAGAVNIRKTOK RIVER

In accordance with the Alaska Right-of-Way Leasing Act, Alaska Statutes (AS) 38.35.070, the State Pipeline Coordinator's Office hereby gives notice that Alyeska Pipeline Service Company, as agent for the Trans-Alaska Pipeline System (TAPS) lessees, submitted a request to amend the Right-Of-Way Lease for the Trans-Alaska Pipeline, ADL 63574, to include approximately 5.5 acres of land within the upland buffer zone between a side channel of the Sagavanirktok (Sag) River and the buried TAPS pipeline to construct and maintain a field of 11 buried sills at pipeline milepost 19.1. The sills will protect TAPS by preventing additional erosion towards the buried pipe.

The lands are generally described as: Township 7 North, Range 14 East Umiat Meridian, Alaska, Section 4, W2NW4, and Section 5, E2NE4, those lands between the easterly TAPS right-of-way boundary and the left bank of the Sagavanirktok River, containing approximately 5.50 acres.

Pursuant to AS 38.35.070(3), copies of the notice or application will be furnished, at cost, to persons requesting them.

AS 38.35.200 governs judicial review of decisions of the commissioner:

38.35.200. Judicial review of decisions of commissioner on application.

- (a) An applicant or competing applicant or a person who has direct financial interest affected by the lease who raises objections within 60 days of the publication of notice under AS 38.35.070 are the only persons with standing to seek judicial review of a decision of the commissioner under AS 38.35.100.
- (b) The only grounds for judicial review of a decision of the commissioner are
 - (1) failure to follow the procedures set out in this chapter; or
 - (2) abuse of discretion so capricious, arbitrary, or confiscatory as to constitute a denial of due process.

Any objections pursuant to AS 38.35.200 must be submitted in writing to the State of Alaska, Department of Natural Resources, State Pipeline Coordinator's Office, via letter, email or facsimile before 5:00 p.m. on June 11, 2012:
