NOTICE OF RIGHT-OF-WAY AMENDMENT APPLICATION  
TRANS-ALASKA PIPELINE SYSTEM – ADL 63574  
PLMP 25 CATHODIC PROTECTION UPGRADES

In accordance with the Alaska Right-of-Way Leasing Act, Alaska Statutes (AS) 38.35.070, the State Pipeline Coordinator's Office hereby gives notice that Alyeska Pipeline Service Company, as agent for the Trans-Alaska Pipeline System (TAPS) lessees, submitted a request to amend the Right-Of-Way Lease for the Trans-Alaska Pipeline, ADL 63574, to add approximately 4.0 acres of land adjacent to and within TAPS Access Road 133 APL/AMS-4 and extending across the Dalton Highway at DHMP 391.2 to the TAPS Fuel Gas Line (FGL).

A gravel pad will be constructed adjacent to the access road and a generator module will be installed to support a cathodic protection system in the area. Across the highway, a gravel pad will be constructed off the highway shoulder to accommodate the installation of a concrete valve vault for a new FGL tap. This will supply fuel to the generator with a 2" diameter pipe that will be horizontally bored below the highway and access road surface.

The lands are generally described as:

Township 7 North, Range 13 East, Umiat Meridian, Alaska, Section 36, W2NE4, lands adjacent to and within TAPS Access Road 133 APL/AMS-4 (ADL 403062) right-of-way and extending from the TAPS pipeline at PLMP 25.1, under the Dalton Highway at DHMP 392 to the TAPS Fuel Gas Line, including an area off the west highway shoulder, all comprising an area of approximately 4.0 acres.

Pursuant to AS 38.35.070(3), copies of the notice or application will be furnished, at cost, to persons requesting them.

AS 38.35.200 governs judicial review of decisions of the commissioner:

38.35.200. Judicial review of decisions of commissioner on application.

- (a) An applicant or competing applicant or a person who has direct financial interest affected by the lease who raises objections within 60 days of the publication of notice under AS 38.35.070 are the only persons with standing to seek judicial review of a decision of the commissioner under AS 38.35.100.

(b) The only grounds for judicial review of a decision of the commissioner are

- (1) failure to follow the procedures set out in this chapter; or
- (2) abuse of discretion so capricious, arbitrary, or confiscatory as to constitute a denial of due process.

Any objections pursuant to AS 38.35.200 must be submitted in writing to the State of Alaska, Department of Natural Resources, State Pipeline Coordinator's Office, via letter, email or facsimile before 5:00 p.m. on June 11, 2012:
