NOTICE OF RIGHT-OF-WAY AMENDMENT APPLICATION
TRANS-ALASKA PIPELINE SYSTEM – ADL 63574

The Commissioner of the Department of Natural Resources, pursuant to Alaska Statute (AS) 38.35.070, hereby gives notice that Alyeska Pipeline Service Company, as agent for the Trans-Alaska Pipeline System (TAPS) lessees, requests to amend the Right-Of-Way Lease for the Trans-Alaska Pipeline, ADL 63574, to add approximately 3.8 acres of State land located within the floodplain of Unnamed Creek, south of the Lowe River. The site is approximately 10 miles east of the Valdez Marine Terminal and 16 miles east of Valdez.

The purpose of the request is to install a low-profile rock guidebank on the west side of the main channel of Unnamed Creek and perform maintenance repairs on the bridge abutments and approach ramps. This will protect the TAPS workpad bridge at Unnamed Creek which provides access for oil spill response and routine maintenance activities on the TAPS workpad for approximately four miles to the east.

The lands are generally described as:

Township 9 South, Range 5 West, Copper River Meridian, Alaska, Section 36, NW4SE4, those lands southerly of and adjacent to the existing TAPS right-of-way boundary at the Unnamed Creek crossing, containing 3.8 acres, more or less.

The application is available at the State Pipeline Coordinator's Office (SPCO) website: <http://dnr.alaska.gov/commis/pco>. The public may obtain hard copies of the application, at cost, from the SPCO (see address below).

AS 38.35.200 governs judicial review of decisions of the commissioner:

AS 38.35.200: Judicial review of decisions of commissioner on application.

(a) An applicant or competing applicant or a person who has direct financial interest affected by the lease who raises objections within 60 days of the publication of notice under AS 38.35.070 are the only persons with standing to seek judicial review of a decision of the commissioner under AS 38.35.100.

(b) The only grounds for judicial review of a decision of the commissioner are

(1) failure to follow the procedures set out in this chapter; or

(2) abuse of discretion so capricious, arbitrary, or confiscatory as to constitute a denial of due process.

Any objections pursuant to 38.35.200 must be submitted in writing to the address below by 5:00 p.m. on June 13, 2013.
