

STATE OF ALASKA
DEPARTMENT OF NATURAL RESOURCES
STATE PIPELINE COORDINATOR'S OFFICE

NOTICE OF RIGHT-OF-WAY AMENDMENT APPLICATION
TRANS-ALASKA PIPELINE SYSTEM – ADL 63574
POINT SOURCE HEATER PROJECT – REMOTE GATE VALVE 65

The Commissioner of the Department of Natural Resources, pursuant to Alaska Statute (AS) 38.35.070, hereby gives notice that Alyeska Pipeline Service Company, as agent for the Trans-Alaska Pipeline System (TAPS) lessees, submitted a lease amendment request to add approximately 2.14 acres of land adjacent to Remote Gate Valve (RGV) 65 near pipeline milepost (PLMP) 397.5.

The purpose of the request is to expand the existing RGV 65 pad for the installation of a crude oil heater unit and fuel tanks to help mitigate the continued decrease in crude oil temperatures.

The lands are generally described as: SW4NE4 Section 31, Township 8 North, Range 5 West, Fairbanks Meridian, that portion immediately adjacent to the TAPS Right-of-Way, containing approximately 2.14 acres.

The application is available at the State Pipeline Coordinator's Office (SPCO) website: <http://dnr.alaska.gov/commis/pco>. The public may obtain hard copies of the application, at cost, from the SPCO.

AS 38.35.200 governs judicial review of decisions of the commissioner:

AS 38.35.200: Judicial review of decisions of commissioner on application.

(a) An applicant or competing applicant or a person who has direct financial interest affected by the lease who raises objections within 60 days of the publication of notice under AS 38.35.070 are the only persons with standing to seek judicial review of a decision of the commissioner under AS 38.35.100.

(b) The only grounds for judicial review of a decision of the commissioner are

(1) failure to follow the procedures set out in this chapter; or

(2) abuse of discretion so capricious, arbitrary, or confiscatory as to constitute a denial of due process.

Any objections pursuant to AS 38.35.200 must be submitted in writing to the address below by 5:00 p.m. on August 7, 2015.
