Anchorage, Alaska 99501

**AMENDMENT OF THE RIGHT-OF-WAY LEASE  
FOR THE  
TRANS-ALASKA PIPELINE  
ADL 63574**

**UNNAMED CREEK FLOOD REPAIRS  
PIPELINE MILEPOST 787.8**

This is an Amendment to Exhibit D, Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, hereinafter referred to as AMENDMENT.

The RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, was recorded in the Valdez Recording District in Book 86, Pages 802 through 908, on May 15, 1979. The RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, which became effective May 2, 2004, was recorded in the Valdez Recording District as Document No. 2002-001280-0, Book 152, Pages 750 through 779 on December 17, 2002.

This AMENDMENT is made and entered into and becomes effective this 20<sup>th</sup> day of June, 2013, by and between the STATE OF ALASKA located at 411 West 4th Avenue, Suite 2, Anchorage, Alaska 99501, acting through the Commissioner of Natural Resources, hereinafter referred to as COMMISSIONER, and Alyeska Pipeline Service Company as agent for the Trans-Alaska Pipeline System (TAPS) owner companies located at P.O. Box 196660, MS 502 Anchorage, Alaska 99519-6660, hereinafter referred to as LESSEE.

WHEREAS, the LESSEE has applied to amend the existing Right-of-Way Lease, ADL 63574, to include additional State of Alaska land to accommodate flood repair work that includes the installation of a low profile rock guidebank and conducting maintenance repairs on the bridge abutments and approach ramps at the bridge at Unnamed Creek. The bridge provides primary access to the four miles of buried pipeline between Unnamed Creek and Browns Creek. The additional land is located within the floodplain of Unnamed Creek south of the Lowe River and is necessary for protecting the stream crossing and supporting the existing pipeline system.

NOW THEREFORE, the COMMISSIONER and LESSEE agree to amend the RIGHT-OF-WAY FOR THE TRANS-ALASKA PIPELINE, ADL 63574, to include the lands within the Barrow Recording District described as:

NW4SE4, Section 36, Township 9 South, Range 5 West, Copper River Meridian, Alaska, those lands southerly of and adjacent to the existing TAPS right-of-way boundary at the Unnamed Creek crossing containing 3.8 acres, more or less.

The lands described above are incorporated into and made a part of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, and the RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, effective May 2, 2004.

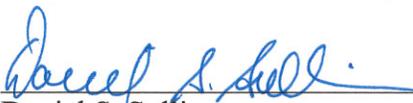

The lands needed to accommodate flood repair work after construction will be less than those described above. After construction, Alyeska Pipeline Service Company will submit an as-built survey for the Commissioner's approval. The as-built survey will show the right-of-way addition in relation to the boundaries of the existing TAPS right-of-way.

Pursuant to Section 1.d.(ii) of the TAPS Lease, approval by the Commissioner and acceptance of such approval by APSC of the final as-built survey of the low profile guidebank structure shall operate as a release of all interests of APSC in lands not included in the final as-built survey. Exhibit D, Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, will be amended to reflect the final as-built survey.

IN WITNESS WHEREOF, the COMMISSIONER and LESSEE have affixed their signatures to duplicate originals of this AMENDMENT.

STATE OF ALASKA

LESSEE

Daniel S. Sullivan  
Commissioner  
Department of Natural Resources

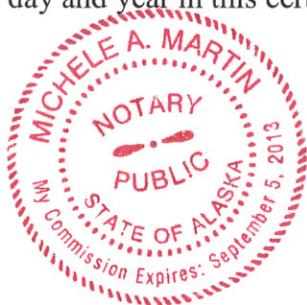

PETER C. NAGEL  
Alyeska Pipeline Service Company, Agent
