DOCUMENT TITLE: AMENDMENT OF  
THE RIGHT-OF-WAY LEASE FOR THE  
TRANS-ALASKA PIPELINE, ADL 63574  
REVTMENT AT DIETRICH RIVER  
PIPELINE MILEPOST 186

RECORDING DISTRICT: FAIRBANKS

ASSOCIATED DOCUMENTS: Document Numbers 1979-011073-0  
and 2002-025712-0

GRANTOR: STATE OF ALASKA

GRANTEE: ALYESKA PIPELINE SERVICE COMPANY

AFTER RECORDING RETURN TO:  
State Pipeline Coordinator's Office  
411 West 4<sup>th</sup> Avenue  
Anchorage, Alaska 99501

**AMENDMENT OF THE RIGHT-OF-WAY LEASE  
FOR THE  
TRANS-ALASKA PIPELINE  
ADL 63574**

**REVTMENT AT DIETRICH RIVER  
PIPELINE MILEPOST 186**

This is an Amendment to Exhibit D, Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, hereinafter referred to as AMENDMENT.

The RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, was recorded in the Fairbanks Recording District in Book 149, Pages 0799 through 0905, on July 16, 1979. The RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, which became effective May 2, 2004, was recorded in the Fairbanks Recording District as Document No. 2002-025712-0, Pages 001 through 030 on December 6, 2002.

This AMENDMENT is made and entered into and becomes effective this 30 day of May, 2014, by and between the STATE OF ALASKA located at 411 West 4th Avenue, Suite 2, Anchorage, Alaska 99501, acting through the Commissioner of Natural Resources, hereinafter referred to as COMMISSIONER, and Alyeska Pipeline Service Company as agent for the Trans-Alaska Pipeline System (TAPS) owner companies located at P.O. Box 196660, MS 502 Anchorage, Alaska 99519-6660, hereinafter referred to as LESSEE.

WHEREAS, the LESSEE has applied to amend the existing Right-of-Way Lease, ADL 63574, to include additional State of Alaska land for the installation of a low profile revetment below the ordinary high water mark of the Dietrich River at PLMP 186. The site lies approximately 40 miles north of Coldfoot and 50 miles south of TAPS Pump Station 04. The revetment will protect the integrity of the buried pipeline downstream of Remote Gate Valve (RGV) 34 by mitigating erosion.

NOW THEREFORE, the COMMISSIONER and LESSEE agree to amend the RIGHT-OF-WAY FOR THE TRANS-ALASKA PIPELINE, ADL 63574, to include the lands within the Fairbanks Recording District described as:

NW4SE4 Section 28, Township 36 North, Range 10 West, Fairbanks Meridian, a rectangular parcel of land below the ordinary high water mark of the Dietrich River, situated adjacent and attached to the existing westerly TAPS right-of-way boundary line along the easterly bank of the river, containing 3.14 acres, more or less as depicted on Attachment A labeled "X314-30X, TAPS MP 186 Dietrich River Revetment Construction Plan, Plate 2 dated 3/05/14."

The lands described above are incorporated into and made a part of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, and the RENEWAL AND AMENDMENT OF RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE AND ASSOCIATED RIGHTS, ADL 63574, effective May 2, 2004.

The lands needed to accommodate the revetment after construction will be less than those described above. After construction, Alyeska Pipeline Service Company will submit an as-built survey for the Commissioner's approval. The as-built survey will show the right-of-way addition in relation to the boundaries of the existing TAPS right-of-way.

Pursuant to Section 1.d.(ii) of the TAPS Lease, approval by the Commissioner and acceptance of such approval by APSC of the final as-built survey of the revetment structure shall operate as a release of all interests of APSC in lands not included in the final as-built survey. Exhibit D, Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE, ADL 63574, will be amended to reflect the final as-built survey.

IN WITNESS WHEREOF, the COMMISSIONER and LESSEE have affixed their signatures to duplicate originals of this AMENDMENT.
