Re: Tofkat Unit – Final Approval

Dear Brooks Range Petroleum Corporation;

Formation of the Tofkat Unit was approved in the Findings and Decision of the Director, Division of Oil and Gas under Delegation of Authority from the Commission, Department of Natural Resources, Approval in Part of the Application to Form the Putu Unit, dated October 28, 2011 (Decision), effective March 31, 2011. In the Decision, Brooks Range Petroleum Corporation (BRPC), as the Unit Operator, was instructed to submit a fully executed Tofkat Unit Agreement using the Multiple Royalty Owner Unit Agreement form.

BRPC complied with requirements in the Decision. A revised Initial Unit Plan was submitted November 22, 2011; and the fully executed Tofkat Unit Agreement, with Exhibits A, B and G, was submitted to the state December 9, 2011, and to the Arctic Slope Regional Corporation (ASRC) December 21, 2011. Exhibit A contains some errors in the mineral owner's interest and royalty interests. Please submit a corrected Exhibit A by January 10, 2012.

The Tofkat Unit is approved effective March 31, 2011. The Division looks forward to hearing how your drilling plans are progressing next year. Please coordinate with Wendy Woolf on requirements under the Initial Unit Plan or if you have questions. She can be reached at 269-8779 or via email at [wendy.woolf@alaska.gov](mailto:wendy.woolf@alaska.gov). Please note, all submittals and requirements under the Tofkat Unit Agreement must be submitted to both the state and Arctic Slope Regional Corporation.

Sincerely,

W. C. Barron  
Director
