NOTICE OF PUBLIC HEARINGS FOR THE
AS 38.35.070
ALASKA GASLINE DEVELOPMENT CORPORATION
RIGHT-OF-WAY LEASE APPLICATION

The Commissioner of the Department of Natural Resources (DNR) received an application, pursuant to AS 38.35.050, dated March 21, 2011, from the Alaska Gasline Development Corporation (AGDC) for a proposed Alaska Stand Alone Gas Pipeline/ASAP (ASAP) right-of-way lease. The statewide public notice of the application was published in accordance with AS 38.35.070 on March 24, 2011.

The Alaska Gasline Development Corporation has applied for a right-of-way lease proposing to build a 24" natural gas and natural gas liquids pipeline that will originate in Prudhoe Bay and follow the Trans Alaska Pipeline System (TAPS) and Dalton Highway corridors, generally paralleling the highway corridor from the North Slope to near Livengood, northwest of Fairbanks. At Livengood, the pipeline route heads south, joining the Parks Highway corridor west of Fairbanks near Nenana. From there it continues south to its termination where it will connect at MP 39 of the Beluga Pipeline west of Wasilla. A 12" diameter, 35 mile lateral pipeline is proposed to take off from the main pipeline near Dunbar and terminate in Fairbanks.

The State Pipeline Coordinators Office will be holding seven (7) public hearings on the ASAP right-of-way application. The public hearings are on the AS 38.35 application which applies only to the leasing of State Lands for the proposed right-of-way.

The public hearings will take place at the following times and locations:

Fairbanks	May 3, 2011	Civic Center – Exhibit Hall	6:00PM to 8:00PM
Barrow	May 4, 2011	Inupiat Heritage Center	5:30PM to 7:30PM
