**AMENDMENT OF THE RIGHT-OF-WAY LEASE  
FOR THE  
TRANS-ALASKA PIPELINE  
ADL 63574**

This is an Amendment to Exhibit D Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, which was recorded in the Barrow Recording District in Book 24 Pages 0001 through 0107 on July 16, 1979, hereinafter referred to as AMENDMENT. This AMENDMENT is made and entered into and becomes effective this 5<sup>th</sup> day of August, 2002 by and between the STATE OF ALASKA located at 411 West 4th Avenue, Suite 2C, Anchorage, Alaska 99501 acting through the Commissioner of Natural Resources hereinafter referred to as COMMISSIONER, and Alyeska Pipeline Service Company as agent for the Trans Alaska Pipeline System owner companies located at 1835 South Bragaw Street, Mailstop-596, Anchorage, Alaska 99512 hereinafter referred to as LESSEE.

WHEREAS, the LESSEE has applied to amend the existing Right-of-Way Lease ADL 63574 to include additional State of Alaska land for a temporary construction zone to accommodate the installation and maintenance of revetment structure on the west bank of the Sagavanirktok River at pipeline milepost 72.3. The revetment will enhance the integrity of the pipeline by preventing further encroachment of the Sagavanirktok River on the workpad and buried pipeline.

NOW THEREFORE, the COMMISSIONER and LESSEE agree to amend the RIGHT-OF-WAY FOR THE TRANS-ALASKA PIPELINE, ADL 63574 to include the lands within the Barrow Recording District described as:

Township 2 South, Range 14 East, Umiat Meridian, Alaska

Section 16, NE4, those lands adjacent to the TAPS right-of-way comprising a 450'x1500' area, as depicted on the drawing submitted with the Issued for Construction package labeled:

"ALYESKA PIPELINE SERVICE CO. TRANS ALASKA PIPELINE SYSTEM  
PLMP 72.3 SAGAVANIRK TOK RIVER RIPRAP REVETMENT PLAN &  
SECTION".

Containing approximately 15.5 acres.

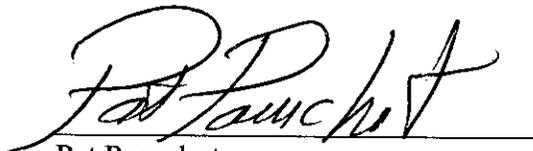

The lands described above are incorporated into and made a part of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574.

The lands needed to accommodate the revetment structure after construction will be substantially less than those described above. After construction, Alyeska Pipeline Service Company will submit an as-built drawing for the Commissioner's approval. The as-built drawing will tie the structures to the pipeline centerline. Upon Alyeska's acceptance of the Commissioner's approval of the as-built, Exhibit D Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574 will be amended to reflect the final, amended legal description.

IN WITNESS WHEREOF, the COMMISSIONER AND LESSEE have affixed their signature to duplicate originals of this AMENDMENT as of the date first above written.

STATE OF ALASKA

LESSEE

Pat Pourchot  
Commissioner  
Department of Natural Resources

Peter C. Nagel / Sr. Landowner Relations Specialist  
Alyeska Pipeline Service Company, Agent for
