For additional qualification information, please contact Dawn Greenan at (907) 269-0138 or dawn.greenan@alaska.gov.

Preparing Bids for Submission

1. Bids for Alaska Peninsula Areawide 2012 (AP 2012) Competitive Oil and Gas Lease Sale must be submitted on a Bid Form For Areawide Oil & Gas Lease Sale (Revised 9/2011) or an exact copy of that form. Copies of the bid form can be downloaded from the DO&G website at <http://dog.dnr.alaska.gov/Leasing/LeaseSales.htm>.
2. The bid form must be completely filled out. The section identifying the bidder or bidder's agent must indicate the bidder or agent's name (and company if applicable), both physical and mailing addresses, telephone number and e-mail address. Under 11 AAC 82.430, joint bids must disclose, and the bid form must be signed by or on behalf of, each person or company that has any working interest in the bid or who will receive any working interest in any lease issued in this sale by virtue of any agreement or understanding, oral or written. All lease interest percentages must be represented by a number with no more than five decimal places (with no rounding). Bids with fractional lease interests must be expressed in decimals of no more than five digits without rounding. The sum of all ownerships for each bid should equal 100.00000 percent.
3. Each bid must include the Total Bid Per Acre, Total Estimated Bonus Bid, and a deposit by cash, money order, cashier's check or certified check in U.S dollars that must equal a **minimum of 20% of the Total Estimated Bonus Bid** being offered for the tract. Checks

must be drawn on any solvent bank in the United States. Make checks and money orders payable to the "Department of Natural Resources, State of Alaska."

4. For the purposes of formulating bids bidders are required to calculate the Total Estimated Bonus Bid based on an estimated acreage figure (See Attachment A for the appropriate sale). In most cases, these estimated tract acreages will be more than the actual available leasable acreage for each tract.

Sample Total Estimated Bonus Bid/Minimum Bid Deposit Calculation for the AP 2012 Lease Sale:

Tract # 0433: Estimated tract acreage from "Attachment A" = 4,480 acres
Bid of \$5.27 per acre

4,480 acres x \$5.27 bid per acre = \$23,609.60 Total Estimated Bonus Bid

\$23,609.60	Total Estimated Bonus Bid
x 20%	minimum bid deposit required
= \$4,721.92	minimum bid deposit amount
= \$4,722.00	bid deposit after rounding upwards to nearest whole dollar.

All bid deposit calculations that result in sums containing fractions of less than one dollar should be rounded upwards to the nearest whole dollar in order to ensure that a minimum of 20% of the total estimated bid is being tendered.

5. Each bid must be submitted separately in a single envelope. Each envelope should contain only one bid for one tract and be marked, as appropriate:

State of Alaska, Alaska Peninsula Areawide Lease Sale 2012
Not to be opened until 9:00 a.m., May 16, 2012; Tract # _____

Note: No other markings should appear on the outside of the bid envelope(s). Personal checks will not be accepted. No bid for less than a full tract will be considered. Bids with deposits of less than 20% of the estimated total cash bonus bid for the tract will not be accepted. Bids for less than the minimum bid specified in the Sale Announcement will be rejected.

Bidders are encouraged to contact the DO&G with questions about submitting bids. Contact information is provided at the end of this document.

Bid Submission

Hand-carried bids will be received for these sales on **May 14, 2012** in the DO&G's offices in Suite 800 of the Atwood Building, located at 550 W. 7th Ave., Anchorage, Alaska. Mailed bids and bids sent by delivery service must be sent to the Director, Attn: Lease Sales, DO&G, 550 West 7th Ave., Suite 1100, Anchorage, Alaska 99501-3560.

The division must receive all bids no later than 4:00 p.m. May 14, 2012. Bids arriving prior to May 14, 2012, will be held by the DO&G until 9:00 a.m. May 16, 2012, and will be officially received at that time. Information regarding the bids will be held confidential until the day of the sale. **Bids received after 4:00 p.m., May 14, 2012 will be rejected.**

Submitted bids may be withdrawn prior to 9:00 a.m. May 16, 2012 without forfeiting the bid deposit. A bid deposit will be forfeited on any bid withdrawn after bid opening and prior to issuance of Award Notices.

Bid Processing and Reading

The AP 2012 lease sale will be held on **May 16, 2012, at the Dena'ina Civic and Convention Center, 600 W. 7th Avenue, Anchorage, Alaska.** Bids will be processed in the following manner:

1. May 16, 2012, 9:00 a.m. - bids will be opened and read in public at the Dena'ina Civic and Convention Center, located at 600 W. 7th Avenue in Anchorage. Bid opening may take one hour or longer, depending on the amount of bids received.
2. May 16 (upon return from sale) approx. 10:30 a.m. – 4:30 p.m., and May 17, 2012, 8:00 a.m. until completed - bids will be adjudicated in the DO&G offices.
3. Preliminary sale results, including a list of the apparent high bidders, will be posted on the DO&G's website at <http://dog.dnr.alaska.gov/index.htm> once bid adjudication has been completed.
4. A bidder submitting a bid that is not the apparent high bid may pick up their bid deposit between 9:00 a.m. and 3:00 p.m. on May 18, 2012, in Suite 1100 of the Atwood Building, located at 550 W. 7th Ave., in Anchorage, Alaska. Bid deposits that have not been retrieved by 3:00 p.m., May 18, 2012, will be returned to the bidder by mail according to the instructions for return of bid deposit shown on the bid form.
5. All bid deposits for an apparent high bid tendered in cash or by certified check, cashier's check or money order will be presented (dependent upon final adjudication) on May 18, 2012, for payment in federal funds at the First National Bank of Anchorage.

The opening and reading of bids is for the sole purpose of publicly announcing bids received. No bids will be officially accepted or rejected at this time.

For Areawide Oil and Gas Lease Sales, successful bidders will be determined based on the HIGHEST Total Bid Per Acre for each tract, not the highest Total Estimated Bonus Bid for the tract.

Method of Handling Bids Following the Sale

1. **The bidder submitting a valid bid representing the highest total bid per acre will be the apparent high bidder.** Once the commissioner accepts the apparent high bids and bid deposits, the high bidders will then receive a **Notice to High Bidder** informing them of the commissioner's acceptance of their apparent high bid and bid deposit. Please note that this may take several weeks.
2. Once the **Notice to High Bidders** has been issued, the DO&G will initiate a title and survey review for each tract receiving a high bid. Once the title review has been completed and the Cadastral Survey Section has determined leaseable acreage for the tract, the DO&G will issue **Award Notices** to the successful bidders. The **Award Notices** will inform the successful bidders of the actual total amount of leaseable acreage within the tracts and the actual total bonus bid amounts for the tracts.

Note: Failure to comply with the Award Notice may place your bid in default. If you default on a bid, you will forfeit your bid deposit.

Note: The title and survey review may take several months for completion.
