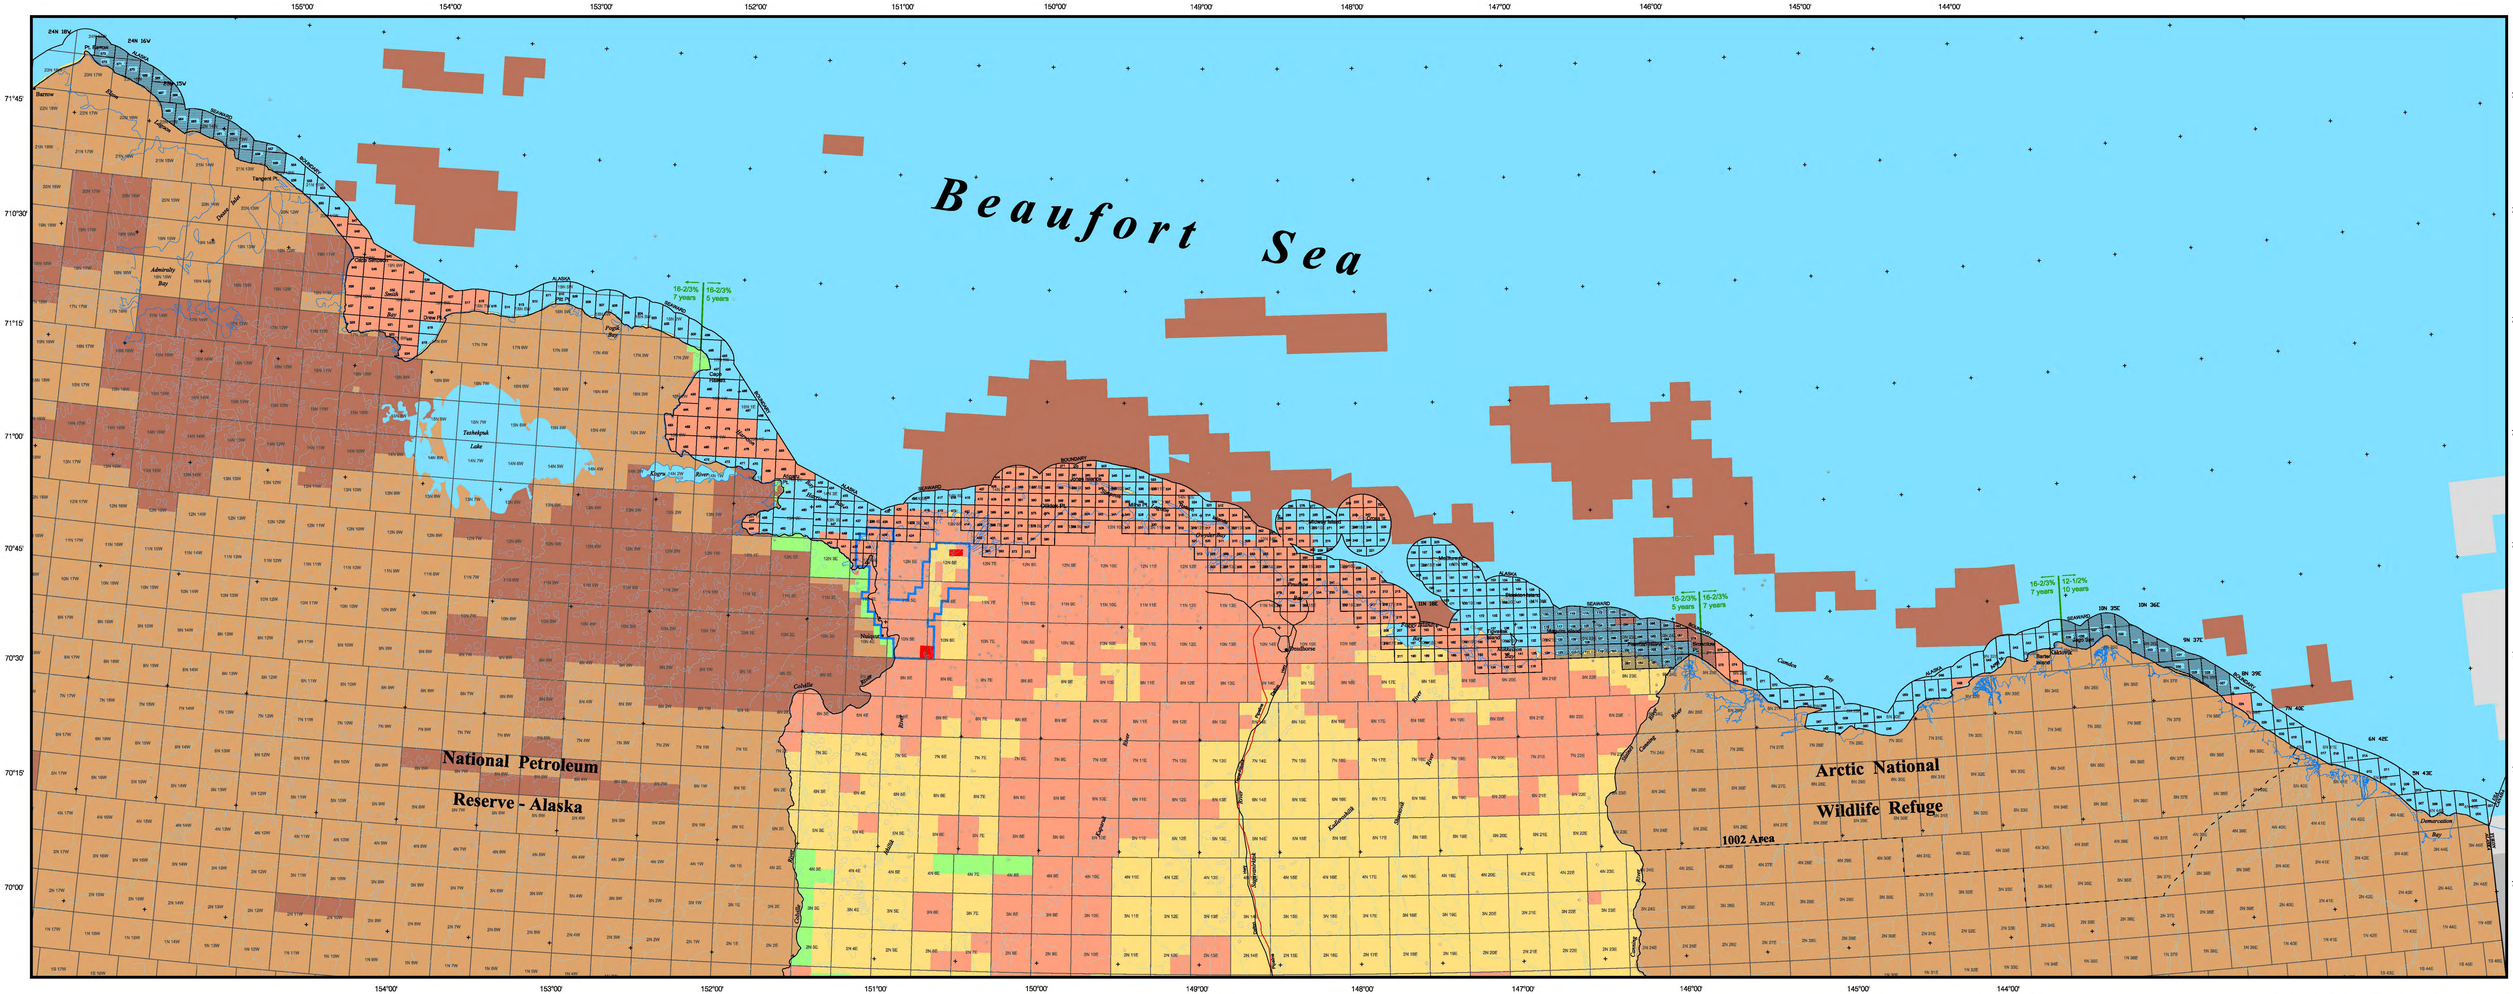
State of Alaska
Department of Natural Resources
Division of Oil and Gas

Regional Tract Map



This map was created, edited, and published by the State of Alaska, Department of Natural Resources, Division of Oil and Gas.

Albers Equal-Area Conic Projection, 1927 North American Datum, Clarke 1866 ellipsoid with a central meridian of -148° 45', origin latitude of 50°, northern parallel of 65°, and southern parallel of 55°.

Selected hydrographic data was compiled from the National Imagery and Mapping Agency, Vector Map Level 0, Digital Data Set, Edition 4, 1997. Other information on this map is depicted only at a Township or Section level resolution. For detailed information regarding any specific area, interested individuals may consult the land records of one or more of the following agencies:

The State of Alaska, Dept. of Natural Resources
The Federal Bureau of Land Management
The Federal Minerals Management Service
Arctic Slope Regional Corporation

Discrepancies in boundary alignments are the result of merging multiple data sets from a number of different sources.

July 2007
