DATA SOURCES

Base map data, including hydrologic data, village and town locations, state land status and boundaries, etc. are from the State of Alaska Statewide Land Records Information Systems GIS database. Federal and native l and status is derived from the Federal Bureau of Land Management general land status dataset.

In some areas, information on this map may be depicted only at a township or section level resolution and may obliterate small areas of state owned land . For detailed information regardin g any specific area, consult the land records of one or more of the following agencies:

Alaska Department of Natural Resources
Alaska Department of Transportation
Alaska Mental Health Trust Authority
University of Alaska
Federal Bureau of Land Management
Federal Minerals Ma nagement Service
Kenai Peninsula Borough
Matanuska -Susitna Borough
Municipality of Anchorage
Cook Inlet Regional Corporation

Discrepancies in boundary alignments are the result of merging multiple data sets from a number of different sour ces.
