Tax Credit Seismic Surveys for Public Release
Cook Inlet, Alaska

Seismic Data Release Status
Seismic survey, showing data coverage:

- **3D surveys**: Survey released and available at Geological Materials Center
- **2D surveys**: Survey not yet eligible for and in preparation for release (see notes 2, 3, and 4)
- **Other survey with tax credit certificate**: Survey eligible for and in preparation for release (see notes 2, 3, and 4)

**Release Status**
- Surveys released and available at Geological Materials Center
- Surveys with statutory confidentiality period expired; survey eligible for and in preparation for release (see notes 2, 3, and 4)
- Other surveys with tax credit certificate: Survey eligible for and in preparation for release (see notes 2, 3, and 4)

Notes:
1. This map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit surveys in Cook Inlet.
2. Representation on this map does not guarantee public release and is subject to statutory requirements in effect at the time of acquisition and application for tax credit.
3. Release is subject to public notice and permission of private oil and gas mineral estate owner where applicable. Surveys require additional reservation/consent from public landowners; actual map extents of released datasets may differ from those shown here.
4. Year label on "Released" surveys denote actual release year. Year label on "Eligible" and "Issued" denotes the year in which the data is eligible for release and distribution under AS 43.55.025(f)(2)(c), most tax credit seismic projects are held confidential for 10 years from completion of initial seismic processing.
5. Additional qualifying surveys will be added to this map as new tax credit certificates are issued or as changes in confidentiality status allow.

**General Land Management**
- Oil & Gas Units
- State of Alaska
- Federal Conservation System Unit
