Tax Credit Seismic Surveys for Public Release
Copper River Basin, Alaska

Seismic Data Release Status
Seismic survey, showing data coverage:

- **Offshore**
- **Onshore**
- **Released**
- **Issued**
- **Eligible**
- **Other survey with tax credit certificate, statutory confidentiality period still in effect**
- **Survey released and available at Geological Materials Center**

Notes:
1. This map is intended as a current snapshot of information that can be disclosed publicly regarding tax credit seismic surveys.
2. Representation on this map does not guarantee public release and is subject to statutory requirements in effect at the time of acquisition and application for tax credit.
3. Other survey with tax credit certificate, statutory confidentiality period still in effect; survey not yet eligible for and prepared for release.
4. Year label on "Released" and "Issued" denote the year in which the data is eligible for release and distribution under AS 43.55.025(f)(2)(c); most tax credit seismic projects are held confidential.
5. Map does not include surveys whose initial seismic processing was completed less than 10 years ago but prior to legislative adoption of the disclosure clause of AS 43.55.025(f)(5). Seismic surveys acquired with credits under AS 43.55.023 are not subject to disclosure.
