Re: Request for Right-of-Way Amendment
Northstar Oil Pipeline ROW Lease (ADL 415700)
Northstar Gas Pipeline ROW Lease (ADL 415975)

Dear Tom:

Harvest Alaska, LLC, as Owner of the Northstar oil and gas pipelines, hereby applies for amendment to the above referenced Right-of-Way Agreements (ADL 415700 and 415975) to include additional related facilities outside the existing Right-of-Way Agreements.

The Amendment includes an estimated 300 ft section (approximately 0.4 acres) on the Northstar Island is depicted in the attached GIS map. This section includes the existing piping and the pig launcher and receiver for the pipelines.

The proposed ROW is located within the southeastern quarter of Section 11, Township 13 North, Range 13 West, Umiat Meridian, as shown on the attached GIS map.

If you have any questions or need additional information, please feel free to contact me at (907) 777-8336.

Sincerely,

Richard Novcaski
Vice President, Harvest Alaska, LLC
Owner of Northstar Pipeline Company, LLC

Attachment: GIS Map

Note: Proposed ROW width 50 feet except at equipment pads and between pipeline expansion loop areas where it may be widened.

Note: Map frame may be rotated from grid north to fit page as indicated by north arrow.
